

## Liverpool University Energy Day – Participants

Stan van den Berg (Liverpool, Earth and Ocean Sciences)

Jan Bloemendal (Liverpool University, Geography)

Andy Boston (Liverpool University, Physics)

Alan Boyle (Liverpool University, Earth and Ocean Sciences)

Richard Burrows (Liverpool University, Engineering)

Andy Cooper (Liverpool University, Chemistry)

Peter Crossley (Joule Centre for Energy Research and Development)

Colin Davies (N8 Research Centre - Energy)

Steve Edwards (Liverpool University, Biology)

Steve Flint (Liverpool University, Earth and Ocean Sciences)

Tim Greenshaw (Liverpool University, Physics)

Neil Gavin (Liverpool University, Politics)

Werner Hofer (Liverpool University, Chemistry)

Steve Holloway (Liverpool University, Chemistry)

David Hookes (Computer Science)

Nick Kuznir (Liverpool University, Earth and Ocean Sciences)

Andreas Lang (Liverpool University, Geography)

Harry Leach (Liverpool University, Earth and Ocean Sciences)

Chris Lucas (Liverpool University, Physics)

Ronan McGrath (Liverpool University, Physics)

Steve Millard (Liverpool University, Civil Engineering)

Richard Nichols (Liverpool University, Chemistry)

Ieuan Owen (Liverpool University, Engineering)

Andy Plater (Liverpool University, Geography)

Andreas Rietbrock (Liverpool University, Earth and Ocean Sciences)

David Shaw (Liverpool University, Civic Design)

Simon Snowden (Liverpool University, Management School)

Mario Soutsos (Liverpool University, Engineering)

Joseph Spencer (Liverpool University, Electrical Engineering)

Melanie Watts (Joule Centre for Energy Research and Development)

Peter Weightman (Liverpool University, Physics)

Ric Williams (Liverpool University, Earth and Ocean Sciences)

Andrew Willmott (Proudman Oceanographic Laboratory)

Judith Wolf (Proudman Oceanographic Laboratory)

Richard Worden (Liverpool University, Earth and Ocean Sciences)

Henry Wu (Electrical Engineering)
