

Liverpool, April 25th to 30th 2000

# 8th International Workshop on Deep-Inelastic Scattering

## Hadronic structure and QCD Lepton-parton and parton-parton physics Future experimental opportunities

Supported by the University of Liverpool

the Deutsches Elektronen-Synchrotron (DESY)

the UK Particle Physics and Astronomy Research Council

### Advisory Committee

G d'Agostini (Rome)  
G Altarelli (CERN)  
V Brisson (Orsay)  
J Feltesse (Saclay)  
A Levy (Tel Aviv)  
L Lipatov (Petersburg)  
P Marage (Brussels)  
J Repond (Argonne)  
F Sciulli (Columbia)  
J Stirling (Durham)  
A Wagner (DESY)  
G Wolf (DESY)
