Notes of New Lecturer's Meeting held on 19/12/2000

Present:

Rodi Herzberg and Tim Greenshaw.

Physics and Management

A proposal for a module on applying physics to problems of various types was discussed. The title of the module needs thought! Further discussions will be held in the New Year.

Postgraduate Certificate and Diploma in Higher Education

The situation with respect to this Diploma is somewhat confused at the moment. The LAUT do not recommend that staff tale the Diploma.
